All Law is contract therefore in order for any claim to be made the contract must be produced. For all Defendants to imply that the Writ in the Nature of Discovery / Averment of Jurisdiction Quo Warranto does not have to be honored is a violation of my Constitutionally Secured Rights to Due Process of Law.

The 5th Amendment required that all persons within the United States must be given due process of the law and equal protection of the law.

In so refusing to honor the Writ in the Nature of Discovery / Averment of Jurisdiction Quo Warranto and denial of the Notice of Default Judgment. All defendants has violated their oath of office to uphold the United States Constitution.

"The Constitution for the United States of America binds all judicial officers at Article 6, wherein it does say, "This Constitution and the Laws of the United States which shall be made in pursuance thereof, and all Treaties made, or which shall be made under the authority of the United States, shall be the Supreme Law of the Land, and the Judges of every State shall be bound thereby, anything in the Constitution or laws of any state to the Contrary, notwithstanding," see Clause 2. "

As the Southern District Court is administrative Chief Judge Daniel P Jordan III (All judges, clerks, its officers and its agents does not have jurisdiction to listen to, hear arguments, presentation, or rational.

"The parties to the Compact of the United States Constitution further agreed that the enumeration in the Constitution of certain Rights shall not be construed to deny or disparage others retained by the People (Article 9 of the Bill of Rights to the Constitution for the United States)."

"When acting to enforce a statue and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and not in a judicial capacity; courts in administering or enforcing statues do not act judicially, but merely ministerially". Thompson v. Smith 154 SE 583.

Courts in administrative issues are prohibited from even listening to or hearing arguments, presentation, or rational." ASIS v. US, 568 F2d 284.

Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities." Burns v. Supp. Ct., SF, 140 Cal. 1.

As a Magistrate and officer of the court, refusal to honor the Writ in the Nature of Discover and Notice of Default Judgment is a violation of her oath of office.

As a Chief Judge(s) magistrate(s) who should be well versed in law, Chief Judge Daniel P Jordan III, F Keith Ball,Henry T Wingate Lakeysha Greer Issac,(All judges) Arthur Johnston (All clerks), officers and its agents knowingly committed "Fraud," Treason giving aid a Foreign Entity, Extortion, Racketeering, Tampering with Court Evidence as they knowingly has been administering in a capacity which they do not have jurisdiction, delegation of authority, or judicial powers delegated from the legislature
